

Tips for speaking with people who stutter

- 1) Don't tell person to "slow down", "try again" or "relax".
- 2) Show person you are listening to what they say not how they say it.
- 3) Use eye contact and wait patiently until person is finished.
- 4) Don't finish their sentences or fill in words for them.
- 5) Be patient with those who have trouble on the phone.
- 6) Don't speak in a fast way.

Be Kind & Courteous
